## News

### **OUR HALLOWEEN PARTY-OCTOBER 28**

Children can dress up on October 28th. We will be doing some fun activities. If you wish to bring treats, we can share fruit/vegetables/cupcakes/cookies. We will NOT eat candy/chocolate. All Halloween treats like candy and chocolate will be sent home at the end of the day in individual treat bags.

### **OCTOBER 11 - PD DAY for Roman Catholic Schools**

**OCTOBER 24** - Our group has come up with Childsplace **BAS Student Day** since there has been a National Teacher Day to celebrate this month. The group also noticed October is the one with the largest number of Birthdays. Our group is going to come up with the ideas and activities for this day.

**OCTOBER 29 to 31** - Closure that is required by Arbour Lake. We have been told this is needed for set up time in the Hall for a get together they are planning for Halloween this year.
